1. What is CIMB Prime all about?

CIMB Prime of CIMB Bank Philippines Inc. ("**CIMB Bank PH**" or the "**Bank**") is a preferred banking segment especially catered to selected customers who meet the eligibility criteria of the Bank. CIMB Prime offers exclusive features and benefits to these customers, including higher deposit interest rates, additional number of free fund transfer transactions, lower-cost fees, and other preferential banking privileges.

2. How do I qualify for CIMB Prime? Can I apply directly to be part of CIMB Prime?

Invitation to upgrade to CIMB Prime is done by the Bank for qualified depositors. In addition to the eligibility criteria of CIMB Bank PH for deposit account opening, depositors must meet other eligibility criteria set by the Bank to qualify as a CIMB Prime Depositor. Eligibility criteria for CIMB Prime are as follows:

The Depositor uses his/her CIMB deposit accounts and maintains the minimum required total average daily balance (ADB) of ONE HUNDRED THOUSAND PESOS (PHP 100,000.00) for all three (3) months in a calendar quarter for his/her UpSave, GSave, Fast Plus, MaxSave, and LazSave deposit accounts and any other future deposit products to be expressly included by the Bank under the CIMB Prime segment (the "**Covered Deposit Accounts**") in accordance with such criteria as may be prescribed by the Bank from time to time at its sole and absolute discretion ("**Minimum Total ADB Requirement**").¹

4. How can I maintain my CIMB Prime benefits and privileges? Will I be notified if I did not meet CIMB Prime Criteria?

To continue enjoying CIMB Prime benefits and privileges, you need to maintain the Minimum Total ADB Requirement. However, if you fail to maintain the Minimum Total ADB Requirement, the following scenarios may be applicable:

(a) **CIMB Prime Partial Benefits Status**

If you have been upgraded as a CIMB Prime Depositor but are unable to maintain the Minimum Total ADB Requirement for three (3) consecutive months in a calendar quarter within the CIMB Prime Upgrade Period, you may still retain your status as a CIMB Prime Depositor but will not be entitled to preferential deposit and lending rates, while all other benefits remain applicable. For more information on applicable benefits and privileges under a CIMB Prime Partial Benefit Status, please refer to item (3) above.

(b) **Reinstatement of Full CIMB Prime Benefits**

Once you meet the required Minimum Total ADB Requirement again for all three (3) months in a calendar quarter while under the CIMB Prime Partial Benefit Status prior to a succeeding Evaluation Cycle during the present CIMB Prime Upgrade Period, you will regain full CIMB Prime benefits upon the start of such succeeding Evaluation Cycle.²

(c) **Renewal of CIMB Prime Upgrade Period**

You must comply with CIMB Prime eligibility criteria and meet the Minimum Total ADB Requirement for at least six (6) out of the twelve (12) months within the CIMB Prime Upgrade Period in order to retain your status as a CIMB Prime Depositor for another 12-month period beginning on the first day of the month following the customer's individual anniversary evaluation. Otherwise, your CIMB Prime Depositor status shall be terminated, and the CIMB Prime benefits and privileges shall no longer apply.

To illustrate:

Fixed Evaluation Cycles

Evaluation Cycles are fixed, running quarterly, with reviews conducted on the 26th of the last month of each Evaluation Cycle.

For 2025, the Evaluation Cycles are:

- Cycle 1: July – September 25, 2025 (evaluation on September 26, 2025)
- Cycle 2: October – December 25, 2025 (evaluation on December 26, 2025)

Effective Date of Changes

Any change to your CIMB Prime status — whether a benefit adjustment or reinstatement — will take effect on the 1st day of the following month after the Evaluation Cycle (e.g., if you qualify by 26th of September → CIMB Prime Depositor status starts on the 1st of October).

Initial Rollout in 2025

The period from July to December 2025 marks the initial rollout of CIMB Prime, focused on introducing the segment to eligible CIMB depositors

² Implementation of the CIMB Prime Partial Benefit Status will begin in 2026. CIMB Prime Depositors who are unable to maintain the Minimum Total ADB Requirement for at least three (3) months within the CIMB Prime Upgrade Period for year 2025 shall still enjoy the preferential deposit and lending rates applicable for CIMB Prime.

- This period will not count toward your 12-month membership evaluation.
- The first full-year membership reviews will begin in December 2026, based on customer activity and eligibility to the CIMB Prime segment from January 2026 onwards.

End-of-Membership Evaluation (Starting 2026)

Beginning January 2026, customers will enter a full 12-month evaluation cycle.

- To continue as a CIMB Prime Depositor, you must meet the Minimum Total ADB requirement for at least six (6) out of the twelve (12) months during the CIMB Prime Upgrade Period.
- CIMB Prime Depositors who do not meet this requirement shall no longer be eligible as a CIMB Prime Depositor after their current CIMB Prime Upgrade Period.
